INFORMATIVE BULLETIN BY "ANARCHIC INTERVETION"

FROM GREECE JUNE-OCTOBER 1993

THE COLABORATION OF ANARCHISTS' GROUPS FOR SOCIAL SOLIDARITY AND MULTIFORM ACTION

The colaboration of Anarchists' groups (Anarchist's coil, Anarchist Intervention, Anarchist cell "Without Authority") with some other anarchist groups organazed a number of manifestations in solidarity to K.Mazokopos and G.Balafas and against the prisons, at various quarters of Athens:

5th June: At the square "Freedom" of Korydallos (near the prisons of Korydallos).

11th June: At N.Liossia.

12nd June: At the square of Drapetsona.

18th June: At the square of Kipselli.

25th June: At the square of Gudi.

2nd June: At the square of Ilioupoli.

ANARCHIST ACTION

15th June: An antiracial march which anarchists take part in.

16th June: A support-concert for the foreign workers, at the square of Exarchia.

23rd June: An open discussion about Balafas in ASOEE (the economic university of Athens).

1st July: A support-march with motocycles towards the prisons of Korydallos for Balafas, Mihou, Kiriakopuolos.

2nd July: Anarchists and antifascists organize a march at Kriekuki (a village 100km far from athens).The reason for this march was the Albanians' beating by the inhabitants of the village.

7th and 8th July: A manifestation takes place in the occupated house at the streets Aharnon and Heiden because of the 57 years of the Spanish revolution (1936). A team of fascists attack the house but they are confronted dynamical by the comrades in the evening of the second day.

2nd August: A molotov is thrown against the bank of Exarchia.

8th August: A molotov is thrown against a van of OTE (National Organisation of Telecommunications) at Exarchia.The team "Not-arrested Anarchists" takes the responsibility for this action.

17th August: A molotov is thrown against the offices of "ND" (the first party in the Parliament) in Thessaloniki.

20th August: A molotov is thrown against the offices of OTE at Abelokipous (a district of Athens).

22nd August: Molotovs are thrown against the offices of "ND" and a

van which transports spare parts for busses at Ilioupoli, against bus ticket-offices and a teachers' office in a school of Placa (in Athens).

8th September: A molotov is thrown against a bus at Exarchia. The fire caused some material damages and a passenger who was a police-woman was injured.

10th September: Molotovs are thrown against a bus near the square of Exarchia.The "Rabid Anarchists" take the responsibility for these two attacks.

19th September: Molotovs are thrown against an electoral kiosk of "ND" at Galatsi.The "Rabid Anarchists" takes the rensposibility.

21st September: Molotovs are thrown against an electoral office of "ND" at Virona.Later, unknowns attack an electoral office of "PASOK" at Holargo.

21st September: The windows of an electoral office of "Political Spring" are broken by stones at Kalithea.
("PASOK" and "Political Spring" are parties).

28th September: A molotov is thrown against an electoral office of "ND" at Exarchia.

28th Septeber: A molotov is trhown against an offise of "ND" in Thessaloniki.

29th September: A molotov is thrown against an electoral office of "PASOK" at Terpsithea.

1st October: An occupation of the radio station ROCK FM takes place for three hours, against the spectacle.

1st and 2nd October: A two-days open discussion (organised by the "Anarchists' Initiative") takes place in Polytechnic school. The discussion was about Skiftoulis' case.

8th October: Molotov coctails are thrown against pre-election offices of "ND" at N.Liossia, at Petroupoli and N.Smirni.Also against pre-election offices of "PASOK" at Argyroupoli.

18th October: Improvised bombs exploded in cars of the Ministry of Natural Environment, in protest at the pollution of Athens.The "Anti-dominating Action" took the responsibility.

OTHER NEWS

10th July: Strikers - workers organize a march during the prime-minister Mitsotakis' visit in Halkida.The strikers clash with the police.During the violent clashes with the police many persons are arrested, who are setted free after a strikers' dynamical march towards the local police station.

27th August: M.A.T. (riot police) attack a demonstration of the inhabitants at Iraklio (in Crete) who demand the closing of the rubbish damp.

6th September: The detainees of the prisons of Ko (an island of Greece) goes on hunger-strike to

protest at the manhandlings of two Albanians who escaped in September the 2nd and they were arrested a few days later.

6th September: Violent clashes take place in Hio (an island of Greece) between M.A.T. and the inhabitants of two villages who are objecting to the installation of a fuel floating dock in a small natural harbour of their district. During the clashes a demonstrator is injured and 6 persons are arrested.

7th September: A bomb which was placed in front of the door of the offices of the fascist group "Gold Dawn" exploded.The explosion unfortunately caused only material damages .The "Revolutionary Antifascist Struggle" took the responsibility.

30th September: Two time bombs were exploded.The first bomb in a building of OAS (organisation of urban transports) in the center of Athens and the other one in a bus which was parked in a coach-house at Liossia (a suburb of Athens).

"The Revolutionary Public Stuggle" took the responsibility.
